ORDER

DENISE COTE, District Judge:

It is hereby ORDERED that defendant Rodney Oliver's May 20 request to compel the production of documents (ECF No. 98) is denied. Oliver's requests for dismissal and sanctions that are contained in the same filing are also denied. As noted in the Order of May 20, a motion to compel may only be filed if a party fails to produce the requested material within the time permitted by the Federal Rules of Civil Procedure, this Court's Orders, or the parties' agreement.
